

CHANGE OF DOMAIN LICENCE HOLDER (.GTLD)

The Change of Domain License Holder is for those who hold a registration of an GTLD domain. This form will allow the Registrant of the domain to change the License holder, i.e. changing the company details associated to the domain / or changing the personal contact on the domain.

The Policy and requirements for such change are as follows:

- Statutory Declaration signed by proposed new Registrant
- Written request explaining the reason for the transfer signed by the new registrant contact
- Confirmation of request for transfer by registrant contact and proposed new registrant
